

Private Pesticide Applicator Training/Testing Class

<u>Date</u>	<u>Location</u>	<u>Time</u>
September 11 th	Tallapoosa Co. Extension Office	(CST) 8:00 a.m. – noon
November 7 th	Calhoun County Extension Office.....	(CST) 8:00 a.m. – noon
December 6 th	Russell County Extension Office	(EST) 12:30 p.m. – 4:30

These classes are designed for the farmers who need to take the private pesticide applicator test in order to purchase restricted use products. However, we will be discussing chemical safety and sprayer calibration at this class, so anyone who sprays pesticides on a large scale will benefit from this training even if a restricted pesticide license is not needed. If you would like to attend any of these classes call the Extension Office of the County you want to attend and make your reservation as seating is limited in some locations. A fee of \$20 will be charged for this training and testing. An additional licensing fee of \$25 will be sent to the Department of Agriculture and Industries by the applicant. The licensing fee is not included in the training and testing fee. Please plan to pay with a check (checks are preferred) made out the Alabama Cooperative Extension System (ACES) in the amount of \$20 or with the correct cash amount. If you need more information contact Chip East (256) 846-0314, Dani Carroll (256) 458-6043, Jordan Graves (334) 672-4826, or Alex Tigue (256) 309-9496.

Calhoun (256) 237-1621 Russell (334) 298-6845 Tallapoosa (256) 825-1050

Calhoun County Extension Office – 1702 Noble Street, Anniston
 Russell County Extension Office – 508 14th Street, Phenix City
 Tallapoosa County Extension Office - downstairs in the Tallapoosa County Courthouse

The Alabama Cooperative Extension System (Alabama A&M University and Auburn University), is an equal opportunity educator and employer. Everyone is welcome!
